To

The Hon'ble Speaker
Lok Sabha
Parliament House
New Delhi.

Dear Sri Balram Jhakkari,

I have the privilege of presenting a copy of the model bill and the scheme for construction labour, drafted by the National Campaign Committee for Central Legislation on construction Labour of which I am the Chairman.

A memorandum addressed to the Petition Committee of Parliament requesting the Parliament to enact the bill as a law, is also enclosed. On behalf of the committee, I have already addressed letters to the Hon'ble Prime Minister and the Minister for Labour. Lakhs of signatures of construction workers from all over the country in support of the Memorandum have been collected, representatives of various organisations and construction workers would be submitting the Petition with the signatures on 5th December, 1986.

We hope that the Central Government, would move in the matter with necessary speed to ameliorate the suffering of the two crore and odd construction labourers in the country.

Thanking you,

Yours sincerely,

(V.R. Krishna Iyer)
