Dear Shri Dang,

I write to you with reference to your kind letter dated 2nd December, 2006. I welcome your proposal to bring the rest of the papers whenever you visit Delhi next. I am happy to know that both of you are keeping good health. We would be too happy to take you around the Nehru Museum as well as our Library and the Archives. Kindly make it convenient for you to visit the Teen Murti House during your next visit. It was nice to meet Shri Nakul whom I found a sweet young person. On behalf of me and also on behalf of our institution I wish both of you a happy Christmas and a Happy New Year.

With kind regards. *and Namaste.*

Dear Shri Dang Saheb,

I write to you with reference to your kind letter dated 18th August, 2006. Shri Nakul Sawhney spoke to me a few times and I am sure that he will come and deliver the papers. Somehow he was very busy and he told me that he would meet me when he comes back from Punjab. I agree with you that the culprits in our country are rarely get punished however heinous the crime may be.

I am happy to know that you will be sending the papers relating to inner-party democracy and other papers to us in due course.

I request you to kindly convey my regards to Mrs. Vimla Dangji.

With kind regards.

Yours sincerely,

(N. Balakrishnan)

Respected Shri Satyapalji

After returning from Amritsar, I could not write to you on account of some urgent work hence the delay. I hope you must have received a letter from Deputy Director, Dr. N. Balakrishnan.

It was a great pleasure being with you for three days while recording your reminiscences for our oral history project. We will always cherish the memories of the respect and honour bestowed on us.

All the private papers - copies of the articles, correspondence etc. -, which you have so kindly donated to our institution, are now transferred to the MSS Division where they will be preserved under your name. After getting them fumigated a list will be prepared and sent to you in due course.

We are getting your interview also transcribed, after transcription, as I explained to you, we will edit/correct and then it will be sent to you for your approval. After getting it approved from you a fair copy will be prepared and the copy of the same will be sent to you for your record.

With king regards from all of us,

Yours sincerely,

Usha Prasad
