

4 March 1964

Dear Comrade Jatin,

The Labour Ministry has convened a meeting of the Standing Committee on Industrial Truce on March 16, with only one agenda - the AITUC agitation in the national campaign and our plan of three-fold struggle. Possibly, you must have been informed about this by now. I hope you will be attending this meeting, and that it would be possible to have a preliminary discussion amongst ourselves on the 15th.

You must have seen reports about the HMS convention in Bombay. I think it will be possible for our three organisations to give a frank talk at the Standing Committee meeting.

With greetings,

Yours fraternally,

*ckg.*
