Dear Com. KG,

Many thanks for your letter. Good thing that all our people are fixed up. I hope our people will compete in all respects with other large delegations.

By the time my letter reaches you, you all will be in the thick of the Congress activities. I am sure our delegates might be pestering you with thousand and one desires. If M.B.Rao has arrived, please ask him to send a cable to Sinha. He is anxious even after I told him all I could.

Swamiji came here suddenly and now he is not traceable. Com. Ajoy and Com. Bhupesh are out. They are expected by tomorrow. I will give that letter from SAD to either one of them.

I have withheld the letter to Workers Education according to your instruction. There is another letter from the Ministry of Lab. (Dr.Seth) about the recording of the conclusions of tripartite meeting in reply to your letter. The Government does not agree with our contention. After receipt of the letter, I informed Dr. Seth, that you are out of station and that after you return, you would give him a reply. Meanwhile we stand by our contention and do not accept what they say.

Good thing that at least some body and at that one of the Secretaries of the AITUC attended the Social Security Commission meeting.

WFTU Congress is meeting in the new Hall. Is it significant by any standard ?

Things are normal here but situation in Bhilai and Rourkela are going from bad to worse.

Com. Hanuman Singh of Mill Kamdar Union, Ahmedabad has written a letter about the treatment of one Comrade Nanalal P. Shah who is suffering from Cancer. They had earlier spoken to Com. Dange. This patient has got passport. Please speak to Com. Dange and advise me what to do.

How is Com. Dange. My greetings to you and the same to all. Please give this enclosed letter to Atchuthan. This is from his wife.

Yours

Dear Com. Pandhe,

You remember that I gave you the Bill form duly filled by me to be sent to the Productivity Council while I was in Delhi last for the meeting of the sub-committee of the Pro. Council. I have not yet received the amount of the Bill and I am wondering whether the form was forwarded at all. May I request you to speak to Mr. Duldeep Singh of the Productivity Council on this matter if possible. I have been ill with Typhoid fever for the last nearly four weeks and I need some money hence the above request. Please do whatever you can in the matter.

How are other things?

With greetings

Yours Sincerely,

Dear Comrade K. G.,

Just received your letter. I have not heard whether Ramnathan has as yet returned to Valparai from his home. I will, however discuss matters with Comrade Gini before I come to Delhi. Anyway, Kerala Comrades seem to be sewing strike netices and then postponing action!

I am afraid I will not be able to go to Bopalai this time - as it is I shall be coming late for the session as we are having our State Council meeting and then there are other programmes. I shall be reaching on the 21st or 22nd. I'll meet you as soon as I come.

Dear Com. Dange,

Your telegram. (102)

Accordingly your Delhi-Bombay booking on 31st has been cancelled. National Productivity Council and the Central Advisory Committee on Industries have been informed about your inability to be present at their meetings. NPC Chairman was insisting. He may contact you on phone and press for your coming.

Pandhe is attending meeting on Bonus Commission as directed.

Bhupesh has been consulted about your Calcutta programme. He maintains that you must go. So I will send you Calcutta-Bombay-Calcutta ticket shortly.

Please send me your unused Mercury Ticket for Bombay-Delhi-Bombay (Oct. 20 and 22) for refund.

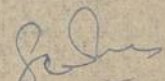

Now about WFTU Congress.

We have received a letter from S.K. Singh-Under Secy to the Government of India, Ministry of External Affairs in connection with Naren Guha's passport. The main point of the letter is that "Naren Guha claims to have been nominated by the AITUC for 5th Congress but his name does not appear in the list submitted" and hence his passport extension has been rejected.

This means all the observers and other persons who are applying for passports for attending WFTU Congress and whose names do not appear in our list will not be given passports. All the unaffiliated persons will thus be out. Do you want me to do anything in the matter? If so what is your suggestion?

Meanwhile WFTU has accepted your suggestion about including five representatives of unaffiliated organisations and they are not approaching any organisation directly in this regard. There is another letter from WFTU about Soviet Trade Unions having agreed to undertake certain responsibilities which I would send you through Com. Mirajkar who will be going to Bombay on November 1.

Com. Mirajkar is leaving tonight for Simla to inaugurate Himachal Pradesh TUC conference. His Sharing the gain of Productivity meeting is over.

Dear Com. Shri wastava,

I am coming to Delhi on the 24th instant by plane to attend the meeting of the Expert Committee on Sharing the gains of Productivity. Please ask Com Paudhe to collect any material on this subject if possible. We have to evolve certain principles in this connection hence a little careful study is necessary. The meeting itself is on the 26th but I am coming a little early to study this matter as well as acquaint myself with A.I.T.U.C. developments during the last three months. I am sure that Comrades

at the AITUC will help me
in this respect. I shall get
with me a typed copy of
the 1st session of the AITUC
in 1920. I have brought
it from Moscow.

Please ask Com. Pandhe
to contact National Productivity

material in connection with
the meeting. I am writing them
about it.

Sub: ESI Scheme

Dear Comrades,

Complaints about the functioning of the ESI Scheme have been made from many centres and our representatives on the ESIC and its Medical Benefit Council have tried to pose these problems at the meetings of the ESI Corporation and the Medical Benefit Council.

It is, however, being felt that there should be greater coordination between the State Committees and the comrades represented on Regional Boards and the work of the AITUC representatives on the Corporation and the Council. Only then ~~could~~ the grievances of the workers could be promptly and concretely brought before the authorities and remedies found.

We find that insufficient reports are being received in the AITUC office with regard to the working of the Scheme in different centres and also on the working of the Regional Boards.

We would therefore request you to send us periodical reports on this subject so that the Secretariat of the AITUC may consider them and instruct our representatives on the ESIC on action to be taken.

The reports and complaints should be factual and concrete.

With greetings,

Yours fraternally

Dear Com.Ranen Sen,

It is my suggestion to you that Com.Siddhant should be sent for a rest and overhauling for a month to the Soviet Union. What do you think about it? He has lost his passport already but it can be renewed on the basis of our invitation. Since Jyoti also will be going about the same time, it will be a good idea. So let me know whether his absence will really lead to the "total collapse of the revolution in Calcutta"?

Dear Com. Sriwastava,

This is to inform you that I am physically very bad these days my weight having gone down to 94 lbs. In Bangalore, I had spoken to Ajay that I would like to go to Moscow for general check-up, treatment and complete rest. Com. Bhupesh Gupta wrote to me to say that my seat to Moscow is already booked for the 18th July and that I should reach Delhi a couple of days earlier for the purpose of securing visas etc. This letter was brought by Com. Dange personally from Delhi but it was read out to me on the phone by Roza only this morning. With great difficulty I secured my reservation on Punjab Mail on the 15th July reaching Delhi on the 16th. The whole of 17th is there to secure visas etc. I believe there will be no difficulty in this regard. All other things were to be managed by Com. Dange according to this letter. Com. Dange, however, is not in Delhi. All the same I am coming to Delhi on the 16th and we will manage everything with your assistance. Please send someone to the New Delhi Station on the 16th when Punjab Mail arrives.

Dear Com.Parvathi,

Thanks for your letter of July 2. The Industrial Committee meeting is uncertain. This meeting can be held in Delhi any time in July or August. During this period, for most of the time, SAD is here.

The alternative suggested by S.A.D. is to hold this meeting in Calcutta without him.

He ^{is} was also of the opinion that a preliminary memorandum be submitted to the Board by 5th August - the due date, and a detailed one later on.

The date of the General Council meeting has been changed to August 19-21, in New Delhi. At that time, representatives of plantation unions can meet.

You can have an earlier exchange of opinion with Com.Monoranjan Roy on the points in the Memo after thax Southern comrades' meeting.

Dear Com.Mirajkar,

Suddenly Hyderabad comrades have informed us that they cannot hold the General Council meeting. Earlier, Com.Vittal Rao and Com.Satyanarayana Reddy had both undertaken verbally and in writing to arrange for the meeting in Hyderabad. This intimation has come to us this week.

In the circumstances, we have to hold it in Delhi itself as no other centre can arrange at such short notice.

Maharashtra Bhawan Hall is the only place available for this purpose but examinations are being held there. In consultation with Com.Dange and the Bhawan authorities, we have fixed the meeting now in DELHI on 19, 20 and 21st AUGUST, 1961.

Hope these dates will suit you.

Your letter of 7th instant. I shall attend the Conference at Kolar Gold Fields you can inform them accordingly by wire.

I am willing to attend the Punjab Conference either at Nangal or at Dharwad in November 1961. Kindly, however, ask them to inform me of their dates fairly in advance so that there will be no clash of dates if I take any other engagements.

The G.C. meeting dates viz 1st 2nd + 3rd August at Hyderabad suit me and I shall attend the said meeting. Please, however, confirm the dates when finalised.

I wonder if Com. M.S. Krishnan is there in Bangalore. If he is there, please write to him immediately and ask him to make my separate living arrangements in Bangalore. I am afraid I cannot live in the crowd of National Councillors because of my present state of health. Also send me immediately his address in Bangalore. I am sure Com. Krishnan will do this for me. Dear Com. KG,

Your letter from Jabalpur dated April 14, received today. On 14th evening we got possession of the new Fiat. Yesterday I got it insured on a comprehensive basis i.e., against all accidents, riots' damage, passengers, owner and driver. I have put it valued at Rs.16,000 and all told we had to pay Rs.640 as insurance charges for one year valid until June 14, 1962.

The transfer to your name is not yet ready. The terrific woman deposited her permission letter with the WHO fellows and the customs duty payment certificate with her bank for clearance. Only tomorrow we expect to get photo-copies of these documents and then with those and the transfer letter and registration certificate, we shall approach the RTO. The car should not be taken to Bombay until these formalities are complete. Meanwhile, arrangements for complete check up and servicing of both the cars i.e., Standard and Fiat are being done. Tomorrow we will get a booking.

I expect that by 20th or so, we will be able to dash to Bombay with both the cars.

Is Bombay Fiat in a tiptop condition? Please see that it is ready to be taken to Delhi.

We have to give some sort of a party to Dulal and his friend for the car. I am stalling it till you come. When can we expect you here?

Rest o.k. The climate is awful here. No rains but occasional dust storms. Report at Coimbatore is ready and five copies of the same are being sent per separate post to Bombay. Two copies have been sent to Vadim through Gopen-da who left for Moscow this morning.

K.K.Sinha has got his passport and the condition of K.K.'s son has deteriorated. They should be immediately sent to Moscow. I have written to Vadim about it but no reply has come so far. Please Com. Dange about it and advise me. K.K. is rather impatient and everyday pestering me with letters and telegrams.

With greetings,

Yours sincerely,

Dear Com. KG,

Today we have paid money. Car will be coming tomorrow evening.

Today I got a message from H. Sandhu. He informed that the question of your wife's admission is ruled out. The Central Institute admissions are now controlled by a Committee which consists of Mr. Banerjee, Delhi DPI, One representative of the Central Institute and a representative of the Education Ministry.

This Committee has framed a rule whereby no admission is given to third division students and they are not even called for interview. This rule is approved by the Ministry and it appears the letter from Shrimali is of no help. Sandhu has expressed regret and said unfortunately nothing can be done about it.

Herewith a letter for you.

Pandhe informs that so far there is no letter from SM. He is sending some of his lectures to Bombay today.

My dear Com. K. G.,

I am sorry I have not replied to your letter for the past ten days but I was very busy as my daughter had to undergo an appendix operation. She is now back home from the Nursing Home and is alright though she has to take rest for another fortnight.

1. So the plantation meeting has to be postponed again - Can we have it along with the Working Committee meeting? Please Consider this.

2. I have written to Gujarat that I will not be able to go there due to having to attend to home front at the moment.

Com. Vriddhagiris' letter to you was really confusing. I had met here and discussed one-day strike on 20 June only in Valparai and Nilgiris in connection mainly with bonus issue. This was not clear in his letter to you. This will probably take place some time in the last week of June.

4. I had not suggested any name for Rubber Wage Board as I am not clear as to who is actually working on that front. Com. Ramalingam would be good but during AITUC Session I heard that he may also be taken for P. work. That is why it is better to leave it to Kerala comrades to decide as they will know who is who.

With greetings to all comrades,

Dear K.C.,

The Jute Wage Board has decided to visit the Andhra centres (Vijayanagram + Vijayawada) from 28/7 to 3/8. This means I can not attend our proposed Working Committee meeting if the dates clash. And I shall have to go straight from Vijayawada to Delhi for the Parliament session, starting 7/8/61.

Time for submission of replies to the Wage Boards' questionnaire has been extended to 10/7/61 for non-Bengal centres + to 31/7/61 for Bengal units.

The problem now is to

get Vallabh Rao moving. So far he has been completely out of contact & has taken no interest in the Wage Board's activities. But when we visit Vizianagram for inspection & hearing it is essential that he should appear on behalf of our Unions at Nellikaval & Chittavaboh. Also, they must submit at least some memorandum by 10/7/61. I am trying to get in touch with him, but will you please also do so from AITVC office?

As far as the Unions at Eluru & Guntur are concerned, they keep in touch with me, so I shall inform them what to do. But the mills under Vallabh Rao's zamindari are the more important units, & if he doesn't show up AITVC will be disgraced.

I am leaving for the N.C. meeting on 15th & shall be back here by 25th or 26th.

I have heard from Com.Lahiri about your letter to Com.Jolly. I could not inform you about the proposed federation due to my illness, which also prevented me from taking initiative regarding holding the Conference.

Hope you are well.

The position is that the Air-India returned the ticket as was instructed by us yesterday. This morning, we contacted Air-India again and we were informed that if we give the name of the alternate passenger, they would try to get back the ticket.

Meanwhile, one more claimant has come up - Com.K.M.Sundaram of Tamilnad TUC, who succeeded in getting his passport renewed and endorsed for Budapest.

Dear Com.Ranen Sen,

Your letter I saw on return from leave.
Thanks for the same.

The difficulty before our sending your name for the Administrative Committee of the TUI was not of choosing a name. Since I heard from Elias that you wanted to go in this Committee, we agreed to it. Since last year, we started the practice of getting names of Administrative Committees approved by the Working Committee. As there was no hurry about it, I thought I will take next opportunity of getting it formally approved by the Working Committee and then send the name to the TUI.

In other TUIs also, names are due to be sent.

At Coimbatore, the new Working Committee did not meet. This item was on its agenda.

However, as you say that the Administrative Committee is to meet in May, I am sending your name right now.

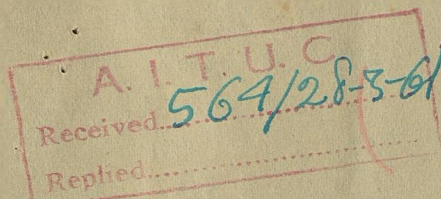

Invitation for my marriage was sent to you in the first batch in the last week of February. Perhaps by then you had gone abroad.

Hope you are keeping well.

Dear Comrade Parvathi,

I hope by this time the exertion of the Conference will be a little over.

I told you about the Maternity Benefit Bill at Coimbatore. We have to submit a memorandum to the Joint Select Committee. I am enclosing a copy of the Bill. Will you please draft the memorandum and send the same to us at the earliest.

Though the date for sending the memorandum was January 15, I hope it would even now be accepted.

Dear Com. Dange,

Information has been received that Com. Kedar Das withdrew the hunger strike on March 28. It is reported that the Chief Minister, Binodanand Jha, called Com. Karyanand Sharma and expressed his grave anxiety over the gradual deterioration of the health of Kedar Das and requested him to convey to Com. Kedar Das his request to call off the hunger strike. The Chief Minister is also reported to have said that since he was requesting for the calling off of the hunger-strike, it meant that the responsibility of reinstatement of 360 discharged workers of TISCO also rested on him. On the ninth day of the hunger-strike, Com. Kedar Das had lost about 12 lbs, and there was sharp fall in blood pressure.

2. The Punjab STUC has informed us that while nominating delegates for May Day, the AITUC should have nominated either Com. Parduman Singh of Amritsar Textiles (Vice President of STUC) or Com. Madanlal Didi of Ludhiana Textiles and not Com. Prakash Kapatia of Simla. According to Com. Satish Loomba, Com. Kapatia has been behaving rather erratically for some time now, his unions have failed in verification, he has not attended any meeting of the Punjab STUC and there are serious complaints against his functioning. I hope you may perhaps talk this over with Com. Satish Loomba when you meet him in Vijayawada.

With greetings,

Yours fraternally,

(M. Atchuthan)

Dear S.A.D.,

Enclosed is a statement re. sugar crisis and implementation of Wage Board recommendations. I feel we should be on the offensive against employers' "strike". All papers and UP Govt are favouring the employers.

2. The position re. victimisation of Central Govt employees is almost the same. Do you feel we should revive hunger strike proposal? If so, it has got to be done before 25th April.

If you are going to Bombay from Vijayawada, why not meet there Om, audit people and one or two more and finalise it early?

3. If the 22nd Bank Tribunal evidence can be postponed for 27th at Delhi, you can get some off. In that case, you come here on 26th or so, finish this evidence as well as Standing Labour Committee. What do you say?

With greetings,

K.G.

Dear Com.Dange,

Sarvjeet reached here last night. The Madras ticket is not in the drawer.

2. I am not sure if you received the copy of the judgement in the foreign exchange case. News in the press you must have read. Roza has, I am told, given copy of the judgement to Com.Chari. Yet I have not heard anything from him. He is still at Bombay.

We have to do the following in 30 days:

- i) Pay the fine
- ii) Close account in London and bring money to India
- iii) File appeal before the Secretary, Law Ministry.

3. The Congress, from the accounts published in the press seems to be a stormy one and will be a strenuous one for you. You can write a letter to the bankers in London to close the account and remit the balance through Reserve Bank to India.

With greetings,

Yours fraternally,

K.G.

Dear Com.Dange,

We are glad and sorry at the same time regarding Com.Purnendu Mazumdar. Our statement and protests have been found to be incorrect and Com.Purnendu is still alive. He has been shifted to Jamshedpur hospital and is undergoing treatment there. His condition is serious. Press message regarding the incident that we received is enclosed for your information.

2. We have yet heard nothing from the Govt re. May Day delegation. Our usual preparations are going ahead.

3. M/s. Chavan and Pant have left this morning for Tashkent. Com.Ponda was late and is to be booked by the next flight, probably on 11th inst.

Productivity delegations will also start leaving this month. They continue going in batches till June. In some of these cases, we have to give them financial help for preparations - outfit, etc.

After the Congress, I think you should take a week's rest - may be in Poona or elsewhere (not in Bombay, of course), before resuming work again.

Babu Rao is still not well. I have granted him 15 days leave for rest and treatment. The same symptoms and disease.

With greetings,

Yours fraternally,

New Delhi, April 5

Dear Com.Dange,

Yours of 3rd April. The write-up on Kedar Das' hunger-strike was printed in TUR without the correction by 2nd and the paper was out on 3rd. We are very sorry that the paper may not give the correct impression as you point out. The only bright aspect is a news in STATESMAN from Patna stating that the Bihar Labour Dept has started moving in respect of the dispute re. reinstatement of the dismissed Jamshedpur workers. Of course, the move of the Labour Dept may not produce anything.

Re. Kapatia, himself and Satish would be at Vijayawada since Kapatia too is a delegate. He left for Vijayawada today.

Hope Vijayawada's heat doesn't hurt you.

Dear Akhbar Khan,

(1) Herewith I am returning your ticket of madras. Please return it & make a note on the bills of Mercury. Ticket NO. AA 133203 of 24/6, issued on 25/3/61 cancelled in Bombay on 29/3/61

(2) I cannot find my madras ticket of 3rd April journey. So I gave an indemnity form to IAC signed & stamped. So the refund from Mercury should be made by reference to the indemnity & cancellation. I issued a new ticket here by paying cash. Note on Mercury bills.

(3) I stayed in Poma for two days. In Bombay on arrival, I had to go to Petroleum Conference & fraction which took about four hours in all. Then the Summit had a big row in the elections. Though a great victory was won, it was marred by the failure of the Republicans. The rout of the PSP is significant.

Dear D,

Enclosed is a letter for you from Samiti Branch, Sholapur.

2. Gujerat is holding its State Conference at Jamnagar from 13th to 18th June 1961. They want you to inaugurate the conference.

I am told the climate of Jamnagar is fine - not so hot. Really this is the first conference of Gujerat STUC. It is linked up by air with Bombay.

National Council is meeting at Bangalore on 18th June and there cannot be any CEC or Sectt meeting earlier.

If you agree, we can give them the choice of having you from 13-14-15th, i.e., inauguration and participation in delegates meeting on 14th and 15th and then you can go to Bombay for Bangalore.

3. I got both of your letters dated 16th and 17th inst. Nikhil is not in station.

4. Sugar affair, I am keeping pending till we have an opportunity to discuss it personally. Meanwhile I have asked Ram Asre to call a meeting of some of the leading comrades in this region before whom we can place the whole situation.

5. This issue of the TUR is out but we will utilize the Kerala strike in the coming issue.

6. Yes, Biswanath Dube has gone to Moscow. He could not go to Budapest from there though I am told, he tried. Vadim was here on his way back from Indonesia with the Soviet delegation. He left this morning. The invitation to this UFUC (Dube's) was sent as this organisation had invited Soviet delegates for its conference held in January 1961. It was a reciprocatory gesture.

7. Provident Fund scheme was opposed by certain

- 2 -

comrades in the office and so, for the time being, it has been shelved.

8. The plan of the building has gone as I have described to you in my last letter. Whatever my views about the building, I haven't held over anything because of it. I only wrote to you.

9. I already had discussions here about the syllabus. We should print whatever material we have and then improve or add in the second edition which I am sure we will have to bring ~~xxxxxx~~ out.

10. Yes, we have received reply from Mercury Travels.

11. We have not heard anything from Prague.

12. We have written letter to the Govt authorising Com. Vithal Rao and await next step from them. May be they will have to put this before their Grants Committee in the finalized form.

With greetings,

Yours fraternally,

Dear K.A.,

Your letter just now.

I have not been busy but in bed. As soon as the P.C. Conference began, I got mumps! I attended the conference somehow, got back here on 22nd & then collapsed completely with high fever, etc. Must have got the infection in Coimbatore. Anyway, though much better, I am not yet quite normal & still confined to the house. So, I have no news of what is going on, no T.V.R., or anything. I expect to be up & about in 2-3 days time & in Delhi about the end of the week. I shall of course do whatever is remaining.

Our pact contained no "secret" clauses. Hence, while delighted at the news (which was first revealed to me by Mahendra), I am automatically absolved from my obligations.

-ation! Why did you not tell me yourself?

So, Achhan ultimately succumbed to the P. mandate. Now, only Sadhan is left to be fixed up. I think I will give him a mandate.

When is the Prague commission meeting? I am interested in anything, provided it can be fitted in.

I have not met Beniji though I too, heard he was here some time back.

Has SAD. gone to the Bureau meeting? Till we meet.

Dear Com.Dange,

Herewith the Bill on Textile Wage Board recommendations.

Since Com.KG is not here, a draft of a statement, letter to Shri Nanda and circular to unions was made and sent to Com.Parvathi, Vittal Rao and K.T.K. They wanted to improve on the draft but because of certain Bills being discussed in Lok Sabha, could not find time to do so today. That will be done tomorrow and the statement will therefore be issued tomorrow.

Air-India has been informed to return the passage of ASK. There was today an inquiry from them stating that Com.Nambiar had informed their Madras Office that he would go instead of ASK Iyengar. They wanted confirmation from us about this. We of course told them not to make any transfer but return the ticket.

With greetings,

Yours fraternally,

(2) Where any notification under sub-section (1) granting any exemption in respect of a textile establishment is cancelled, the provisions of this Act shall apply in relation to that establishment from the date of such cancellation.

5

8. A junior clerk whose basic salary immediately before the 1st day of January, 1960, was less than the minimum of the new scale shall be deemed to have been brought up to the minimum of the new scale on the 1st day of January, 1960, and shall then be given one increment in that scale for each year of service completed before the said date subject to a maximum of two increments. 25

9. The semi-clerk shall have his basic salary fixed in the new scale applicable to him under this Act in the manner specified in paragraphs 7 and 8 for the fixation of the basic salaries of junior clerks.

10 istrative or supervisory capacity who are not covered by the provisions of Part III in such a manner that the revision takes into account their own position before the 1st day of January, 1960, in relation to the clerks for whom provision is made in this Act, their respective duties and responsibilities and the basic salaries now payable to the
15 junior clerks, and such revision shall be made in consultation with the employees concerned.

15. Any increase in basic wages or basic salary (other than an increase awarded by any body or authority set up for determining industrial disputes or allowed under any other law for the time being
20 in force) which has been given to a manual worker or clerk after the 30th day of March, 1957, shall be treated as a part of the increase in the basic wages or salary to which he is entitled under this Act and the provisions of this Act shall have effect accordingly.

PART IV
General

STATEMENT OF OBJECTS AND REASONS

By the Resolution No. WB-1(3), dated the 30th March, 1957, the Government of India constituted a Central Wage Board for the cotton textile industry. The report of the Wage Board was received by the Government on the 1st December, 1959. A majority of the textile establishments have implemented the recommendations of the Board in regard to the increase in wages of manual workers and revision of pay scales of clerks employed therein; but there are still some textile establishments which have not implemented these recommendations. The object of the Bill is to secure the implementation of the Board's recommendations regarding the aforesaid matters even in respect of the textile establishments which have not so far implemented the recommendations. The notes on clauses explain the different provisions contained in the Bill.

G. L. NANDA.

NEW DELHI;

The 29th March, 1961.

Notes on clauses

Clause 3.—This clause entitles the manual workers and clerks employed in textile establishments to have their basic wages or basic salaries, as the case may be, calculated and paid in accordance with the recommendations of the Wage Board.

Clause 4.—This clause prescribes a special procedure for the recovery of amount due to manual workers and clerks in pursuance of the provisions of the Bill. The aggrieved manual worker or clerk, without prejudice to any other mode of recovery, may make an application to the State Government for recovery of the amount due to him and if the State Government or such authority as the State Government may specify in this behalf is satisfied that any amount is due to the applicant, it shall issue a certificate for that amount to the Collector and the Collector shall proceed to recover the amount in the same manner as an arrear of land revenue. Questions, if any, regarding the amount due to the manual worker or clerk will be referred to a Labour Court by the State Government and the amount found due by the Labour Court or the Industrial Tribunal may be recovered in the manner described above.

Clause 5.—The clause provides that the provisions of the proposed legislation shall have effect notwithstanding anything inconsistent in the terms of any award, agreement or contract of service.

The clause also protects any higher basic wages or a more favourable scale of salary to which any manual worker or clerk may be entitled immediately before the 1st day of January, 1960, and prevents withdrawal or curtailment of any other amenities or benefits to which they are entitled under the terms of any award, contract of service or otherwise.

Clause 6.—This clause restricts claims for further revision of the basic wages and salaries for a period of five years from the 1st day of January, 1960. The clause also provides that any strike or lock-out for the revision of such wages and salaries during the said period shall be deemed to be illegal.

Clause 7.—Sub-clause (1) of this clause takes away from the purview of this legislation textile establishments which are at present closed down or which had been or are under enquiry under section 15

of the Industries (Development and Regulation) Act, 1951, or in respect of which an order was made under section 18A of that Act and is in force. There is no point in applying the provisions of the legislation to establishments which have closed down. As regards the establishments which are under enquiry or in respect of which an enquiry has been made under the said section 15 or in respect of which an order has been made under the said section 18A, it was felt that unless their financial position was examined the provisions should not be made applicable. The legislation has also not been made applicable to establishments falling under clause 7(1)(d) or falling under clause 7(2). Power has, however, been taken to apply the provisions of this legislation to all such establishments if the circumstances as stated in sub-clause (3) of this clause warrant such application.

Clause 8.—This clause empowers the Central Government to exempt from the operation of the proposed legislation such of the establishments as are not in a position to implement the recommendations of the Central Wage Board due to financial and other relevant circumstances.

Implementation of
Cement Wage Board

● Dear comrade,

I have received a letter from Nanda dated 22-5-61, in which he says, inter alia, the following :-

"Implementation of recommendations of the Cement Wage Board in the factories at Porbandar, Kistna & Bagalkot."

● According to the information received from the State Governments, the factories at Porbandar & Kistna have implemented the Wage Board's recommendations. As regards Bagalkot, the Bagalkot Cement Co. Workers' Union has made some complaints about the manner of implementation. The matter has

been referred to the State Government?

This is for the information of the AITUC office.

I may also mention that the Jute Wage Board's interim award does not appear to have been implemented yet anywhere in States outside Bengal. The Wage Board is meeting here on June 5th to consider representations from Kamrup & Bihar employers asking for exemption on certain grounds.

1. Inform Council Union.
2. If the Wage Board has not any written representation from the employers, ~~it should~~ we can give the same, we can ask the union to send some more.

Dear Com. S. S. Mirajkar,

I have returned from my Madhya Pradesh tour only this morning after about 10 days. I visited Ratlam, Nagda-Bindragram, Ujjain and Indore, addressed small and big meetings. The tour was quite successful and good.

I saw your letter and telegram re: Rajnandgaon Beedi Workers' Conference on the 4th June. I regret I cannot attend it since I have already taken some local engagements. Kindly inform the Beedi Conference people and

ask them to excuse me for my inability. I have to combine my local work and such engagements outside. It can be done only if I have an advance information so that local work can be adjusted.

As I had suggested before kindly send me about ~~Rs~~ 300/- which I shall deposit in the Bank and whenever necessary spend it for travel etc. I recover the amount and again deposit it. Sometime I find myself in a difficult position.

Dear Com. Sriwastava,

Received your letter of 23/5 con-
veying to me the Jamnagar invitation for a Conference
on the 17th June. I would have gladly accepted
the invitation if the date were not clash with the
meetings of the National Council at Bangalore on
the 18th June. I am not a member of the N.C.
but I have been asked to attend a meeting of
the sub-committee set up for organising a Campaign
for the release of long-term political prisoners.
Hence I cannot go to Jamnagar on the 17th
June. I shall go there positively if they can
change the dates; but perhaps this may not be
possible to do.

Please send me some A.I.T.U.C. stationery
letter-head pads of small and large sizes and
some envelopes of both sizes. I have exhausted
the pad leaving only five or six sheets.

Dear Com.Parvathi,

Thank you for your letter of 19th May.

2. You did not suggest any name for Rubber.

We are awaiting letter from P.B.C.

3. I have written to SAD about plantation meeting at Bangalore.

4. Com.Vriddhagiri has suggested a token strike on 20th June or so in plantations and he says he consulted you. If you are holding this meeting after N.C. meeting, how will this be possible? And why not decide it in that meeting itself.

5. Gujerat STUC is holding its First Conference in Jamnagar on 17th and 18th June. They have approached us to request you to inaugurate it on 17th. They say you can go to Bangalore by air from Jamnagar via Bombay so attend the N.C. meeting. Please reply to them direct if it suits you.

Dear K.G.,

Thanks for your letter. So we are getting the seats on the Coffee Wage Board and one on the Rubber Wage Board. That is something, anyway. I consulted comrades here and the names suggested for the Coffee Wage Board are Com. P. Vriddhagiri, Plantation Labour Association, Cash Bazaar, Coonoor R.S. and Com. Narasimham of Bangalore. It is necessary to have one of the Karnatak comrades definitely on the Wage Board as there is the vast Coorg area and they would know the position best there. If it is necessary to send any more than two names then you could include another name from Karnatak - there is Com. Kuttappa but I do not know whether his knowledge of English will be sufficient.

Now that the venue of the National Council is definitely in Bangalore, could you consult Com. SAD and fix the plantation comrades meeting there? You will have to find out the dates of the National Council meeting which have not been intimated in the circular we have received. I am enclosing a draft circular which I was waiting to do till the venue was finalised.

With greetings,

Yours,

Draft Circular

To all STUCs and Plantation Unions

Dear Comrades,

1. There have been no replies as yet to the circulars questionnaire sent by us. Please see that these are immediately looked into and replies sent as the Wage Board for Tea has already started its work and we have to prepare for the memorandum to be presented to the Wage Board. Meanwhile, the Coffee and Rubber Wage Boards will also be starting their work very shortly from information received.
2. There is a proposal to hold a meeting of plantation union representatives. This meeting will be held in Bangalore from June to June 1961. Comrades are requested to make arrangements for representatives to attend this meeting without fail. The agenda for the meeting will be :

1. Memorandum to be submitted to the Wage Board.
2. Campaign with regard to above.
3. Formation of an all India organisation of plantation workers

Please let us know as early as possible regarding the comrades who will be attending this meeting. The other details will be sent later.

With greetings,

Yours fraternally,

To,
Com. Narasimham,
Karnatak S.T.U.C.

Dear Comrade,

We propose to hold a meeting of representatives of the plantation unions at Bangalore from June to June. We have sent out the circular and will let you know how many are expected. Kindly see that arrangements are made for the meeting (stay, etc.) There will be about ten comrades attending the meeting.

With greetings,

Yours fraternally,

Com. Sec.

2 July 1961.

My dear K. G.,

I could not write all these days as after Bangalore I was busy with all the arrangements to send Indi off to College and I had to accompany her to Madras for a couple of days.

So now the Wage Board questionnaire is before us even before we could organise our meeting. We are therefore holding a meeting of representatives in Tamilnad by the third week of this month to finalise a reply. I have written to Karnataka and Kerala whether they can also participate so that we can have a joint reply from all unions in the South. In the meantime, I am writing to Com. Manoranjan today to ask him about their stand on certain key issues as wages, workload, etc. so that we can have those points at least with us when we discuss here.

But now it becomes all the more imperative to hold our meeting soon. Would it be possible in Delhi

in August? Please consult S.A.D. I am myself very diffident about it without his participation as now from what I see everyone seems to be more concerned with activities connected with the general elections! But we must try to get at least Com. Manoranjan to come to Delhi immediately after the General Council meeting to finalise a Centralised A.I.V.C memorandum to the Wage Board - Could you write to him sounding him on this? And also write to the Wage Board for some extra time for submitting our memorandum.

As the Industrial Committee has again been postponed, Com. Gini has not yet left for Delhi. He will be coming when it is finally fixed.

How is Acha? Has she returned or is she still in Delhi?

Greetings to you all,
Yours fraternally,
Paavathi.

Circular to STUCs

Sub: ESI Scheme

Dear Comrades,

Complaints about the functioning of the ESI Scheme have been made in many centres and our representatives on the ESIC and its Medical Benefit Council have tried to ~~ventilate~~ pose these problems at the meetings of the ESI Corporation and the Medical Benefit Council. It is, however, being felt that there should be greater coordination between the State Committees and particularly the comrades represented on Regional Boards and the work of AITUC representatives on the Corporation and the Council. Only then could the grievances of the workers could be promptly and concretely brought before the authorities and remedies found.

We would therefore suggest the following:

1. You should ~~communicate~~ ask the comrade who is our representative on the Regional Board of the ESI to keep close contact with the AITUC representatives on the ESI Corporation (Com.S.Y.Kolhatkar) and the Medical Benefit Council (Com.H.Banerjee). Their addresses are given below:

1. Com.S.Y.Kolhatkar,
Block No.6, Ground Floor,
Tanibhai Nivas,
Bombay 31

2. Com.H.Banerjee,
Secretary,
W.Bengal Committee of the AITUC,
249 Bowbazar Street,
CALCUTTA 12.

2. Copies of the communications to the above comrades should be endorsed to the AITUC Office.

3. The address of the comrade who is on the Regional Board may be communicated to us as well as to ~~them~~ ~~XXXXXXXXXXXX~~ Com.Banerjee and Com.Kolhatkar.

4. There have been many complaints in respect of medical benefits, ~~and~~ construction of hospitals and working of service dispensaries, particularly. Concrete cases should be referred to the AITUC and our representatives on the ESI bodies for necessary action.

With greetings,

Yours fraternally,

2

The Centre for collection of material should be AITUC office & not the comrades who are on various committees. Endorsing copies to AITUC office is not sufficient. These comrades go on changing from term to term. I am against decentralization of this fashion.

We must hold periodic meetings with comrades in the various committees at Centre & State level with AITUC self-study groups.

Copy of letter from Com.Brijendra, Dehra Dun.

re. Dehra Dun Tea Workers Strike

Dear Comrade,

Please refer to our previous letter in this connection.

On 23rd, after eight days of the strike, the following tea estates also conceded the workers' demands and the strike ended there: Malukkawala, Lakhanwala, Herbertpur, Ananfield, Jiwangarh.

They agreed to implement the revised minimum wage of Rs.1.44 with retrospective effect from 1.5.61 and also increased the wages of other workers not affected by the revision in the minimum wage. The rates of plucking were also increased.

So now the following estates remain on strike: HARBANSWALA, ARCADIA and EAST HOPE TOWN and WALIBAGH.

Of these, Walibagh is an insignificant unit that shall settle in a day or two. The rest are the real fry. These are the biggest estates in the district and the three alone produce as much tea and employ as much labour as all the rest put together. Including the temporary workers, more than 3,000 workers in these three estates are on strike at the moment.

Today is the 12th day of the strike. An estimated loss of Rs.1-1/2 lakhs has been incurred by the three gardens till now, but they refuse to budge. The Addl. RCO and the Asst. Labour Commissioner, Mr Ahsan, have repeatedly tried to make them see reason but they are adamant.

Workers are adamant too. Despite this entirely unexpected obduracy on the company's part, they are sticking to their guns and there is complete strike. Despite the fact that if the strike goes on for another week, there is every likelihood of the whole tea season being altogether destroyed, the workers are solid.

Can't you please make some effective intervention.

We hope you sent the copy of our last letter to Com.Parvathi. She is the president of our union. Can't you ask her to take some step like tapping Labour Ministry or tea committee to intervene.

Please send copy of this letter too to Com.Parvathi.

We shall expect to hear from you soon,

Yours

Brijendra

Dear comrade,

Thank you for your letter dated October 13th 1961, regarding the Editorial Board for the "T.V. Education Series".

I have no objection to serving on the Board if you think I can be of some help, and also in view of the fact that my name has anyway been published in print already!

I hope this Board will be able to meet occasionally for consultations. Without some collective discussion, either by

meeting directly or at least by
correspondence, the Board may
remain only on paper.

I have received a copy of the
first pamphlet (No. 8) yesterday.
It should certainly serve a
useful purpose. I think the
Foreword written by you was probably
done in a great hurry + could
have been improved with a little
editing. There are also a
number of printing mistakes which,
though minor, could be avoided
by more careful proof-reading.

In the case of future
publications in this series, I am
prepared to do this "technical"
job even, in case no one else
is available for it.

Dear Com. Roza,

This morning we have remitted a sum of Rs.200 by telegraph. You must have received it by now. We are trying our best to finalise the report and the documents we propose to place before the conference and I cannot promise when exactly it can be sent to you. Moreover, our document, i.e., AITUC document has got to be seen by D. We are expecting him any moment and no sooner it is finalised, we shall be sending the document to you.

From Youth Federation, one report will be placed. You will get that from Sarada. He is leaving tomorrow and he will contact you on Tuesday evening straight from station. Sarada has expressed his inability to take the projector with him. Let me see if I can send it through some other person.

Hope this finds you in best of health. My greetings to you and Com. Deshpande.

Yours fraternally,

Dear R.C.,

This is just to give you the glad tidings — not of my marriage — but of my conviction, along with Banerji, in the Jamshedpur SDO's Court yesterday. We have been sentenced to 6 months imprisonment plus Rs 500/- fine in lieu of another month. Before judgment was delivered, our local lawyer friends assured us that the case had been so well argued that nothing but an acquittal was humanly possible. I have not seen the judgment yet, so can't comment on the magistrate's sense of humanity.

We got bail without difficulty, of course, & have now to appeal to the Sessions court. Let's hope that will take another

few years.

Kedar & Co. also came out yesterday on bail. I have strongly emphasized to them the necessity of coming to Delhi for the G.C. & Engineering meetings.

I am not going to Andhra for the Jute Wage Board as the Chairman has fallen ill. I hope to reach Delhi by the 5th.

Yours truly,

P. J.
